“When the members of a team have subjugated their desires for My plan and have come together in agreement with the musical score that I have written for each, then it is a team in Sound Alignment.”

“There My Presence dwells and I walk in their midst,
I move mountains on their behalf.
I blow through strongholds on their behalf.
I rush in to help when they cry out.
When worship reigns, My hand moves.
I move to act. I move to defend. I move to resource and provide.
I move to touch. I am compelled to bless.”

SOUND ALIGNMENT

“Remember, each person is a song. When those “songs” are combined, a new “Sound” is created. If your Team Alignment has been done “unto the Lord,” carefully following His Divine Composition for your Mandate, then that “New Song” is an act of Worship to Him.”

WHO you have on your team, HOW each person is aligned, and WHEN can make the difference between accomplishing your vision or not.

When God hears that act of worship in the Unity He desires, He moves on your behalf and is compelled **COMMAND HIS BLESSING!** This is the quantum leap He desires for you!

Just as the earth is bound by physical laws, the spiritual realm is bound by spiritual laws—like the principle of sowing and reaping. The more you honor in the earth, your honor account in Heaven grows. Most people today define “honor” as when you recognize or thank someone for their work, gifting, etc. But this is only a tiny portion of true honor. In this class, you will learn to release true honor in seven areas of your life so you can position yourself for Heaven’s catalyst of favor back to you.
